EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Michael Haynes on 08-01-2007.

The application has been amended as follows:

In the specification:

[1], line 2, delete "pending";

[1], line 3, before "." insert --, now abandoned--;

[46], line 9, change "4520, 4540" to --4720, 4740--;

[47], line 3, change "4520, 4540" to --4720, 4740--;

[49], line 6, change "4520" to --4720--; and

[49], line 11, change "4520" to --4720-- and change "4720" to --4760--.

2. The following is an examiner's statement of reasons for allowance: Claims 11, 20, 37, and 42 are independent. Regarding claim 11, FR 2454498 represents the closest prior art of record by disclosing a wooden box-urn or cremains device comprising a lid (not shown) and a box portion defining the cremains cavity, the portion comprised of substantially rectangular planar sides/ends interlocked via mortise and tenon joints (see Derwent abstract). However,

Art Unit: 3677

FR'498 fails to disclose the lid including a plurality of vents adapted to vent the cremains cavity upon attachment of the lid to the box portion and to be sealed upon permanently closing the cremains cavity. It would not have been obvious to one of ordinary skill in the art to modify FR'498 to cure this deficiency. Claims 20, 37, and 42 include similar allowable subject matter.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to William L. Miller whose telephone number is (571) 272-7068.
